

**NORD WELDING & ENGINEERING AS (NWE)** is dedicated to providing advanced engineering, technical inspection services, and training & examination services to industries, particularly in the oil & gas, energy, and other industrial sectors. **NWE** is committed to the following quality principles:

- **Compliance:** We ensure our services meet legal, regulatory, and client requirements, including ISO 9001:2015 standards, ensuring consistency and conformity.
- **Continuous Improvement:** Dedicated to enhancing our Quality Management System and services, we identify opportunities for improvement through regular evaluation and proactive measures.
- **Client Satisfaction:** We aim to exceed client expectations by actively engaging with them, understanding their needs, and delivering high-quality, value-added services.
- **Staff Competence:** Recognizing the importance of staff expertise, we ensure they are well-trained and competent, offering ongoing professional development opportunities.
- **Impartiality and Objectivity:** We conduct all inspections impartially and objectively, adhering to ethical principles and ensuring fair assessments.
- **Confidentiality and Data Security:** We maintain strict confidentiality of customer information, implementing robust data protection measures to preserve trust in our services.
- **Documented Information:** We establish and maintain documented information to support effective operation and control of our processes, in compliance with ISO 9001:2015.
- **Monitoring and Measurement:** Regular monitoring and analysis of processes and performance indicators ensure compliance and prompt corrective actions.
- **Risk-Based Thinking:** We apply a risk-based approach to identify and mitigate risks, leveraging opportunities to enhance quality and efficiency.
- **Management Review:** Senior management conducts periodic reviews to evaluate system performance, ensuring alignment with organizational goals.

This Quality Policy has been communicated to all employees and stakeholders and is publicly available on the **NWE** website. We are committed to periodically reviewing and updating this policy to ensure its continued relevance and effectiveness in achieving our quality objectives and satisfying customer requirements.
